

COMMUNITY VALUES

Develop Complete
Neighbourhoods

Create safe, accessible, and inclusive neighbourhoods that are easy to get around and offer a broad range of housing choices, amenities, and services.

Support Urban
Densification

Focus densification in mixed-use centres and neighbourhood centres to create vibrant mixed-used neighbourhoods.

Support the Availability of
Diverse Housing Options

Enable people from all walks and stages of life to locate and secure housing that is safe, affordable, and appropriate.

Improve Transportation
and Connectivity

Invest in road infrastructure, public transit, pedestrian, bicycle, and trail networks in areas of highest need, and plan for all active forms of transportation. Provide safe and convenient access to neighbourhoods, parks, open spaces, and daily amenities for people travelling from home, work, and other destinations.

Invest in Arts, Culture,
Sports and Recreation

Enhance quality of life, community identity, pride, and social networks by investing in community arts, culture, sports, and recreation. Foster healthy and active living by ensuring that parks, trails, and open spaces are available and accessible to all residents.

Support Local and
Regional Food Systems

Support the production of local and regional food through partnerships with all levels of government, agricultural producers, distributors, and retailers to enhance community food security and ensure equitable access to healthy food for all residents.

Promote Environmental
Stewardship

Reduce the City's environmental footprint; prioritize restoration of the riverfront and riparian areas; protect ecologically sensitive areas; promote water and energy conservation; and support best practices for stormwater management, waste reduction, and airshed management.

Promote Economic
Resiliency

Support a vibrant and thriving economy that attracts new businesses and provides opportunities for residents to prosper and Kamloops to flourish.

Build Regional
Partnerships

Work co-operatively with T̓k̓emlúps te Secwépemc, the Thompson-Nicola Regional District, government agencies, and stakeholders to determine and evaluate opportunities for collaboration and planning.

Optimize Existing
Municipal Infrastructure

Utilize existing services to ensure the City has the financial resources to meet customers' needs in a cost-effective manner now and in the future.
